My beloved Parishioners,

Warm greetings from our Church family, St. Benedict the Moor Catholic Church, Savannah.

Humanly speaking, I celebrated Mass alone in the Chapel on this Fourth Sunday of Lent. Of course, spiritually I celebrated the Mass with you my beloved Parishioners, in union with the whole Church.

During this difficult time, I offer Masses every day for your intentions. I encourage you to please stay safe and follow the directives of Medical experts and that of our diocese.

I wish to reassure you my beloved Parishioners, that God is so close to us as he promised, especially at this critical and trying moment.

As your Pastor, I also assure you of my prayers and closeness to you at this unprecedented period. Stay strong and keep the faith alive. Together, and by the Grace of God we shall overcome Covid-19 (Coronavirus disease).

Please let us make it our obligation to check on our Church family members through phone calls, especially the Sick and Shut-in and our elderly ones. Ask them if they need anything, especially food, toiletries and medicine. If they do, please do not hesitate to bring it to my attention. Remember, "We are One Family, United in Faith"!

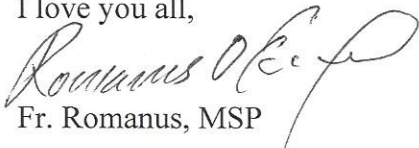

I also encourage you to take advantage of our Online Giving link located on our Parish website (stbenedictmcc.org) for your weekly offertory. If you prefer, mail it or drop it in the mail door slot of the Rectory.

Thank you so much for the love and support you have shown to me personally at this critical time.

Please pray constantly for God's intervention and for the intercession of our Blessed Mother Mary in this difficult situation. Let us join our Holy Father, Pope Francis and our Chief Shepherd, Bishop Gregory J. Hartmayer, in union with the Universal Church to pray fervently for the solution and the end of this Pandemic virus; for the protection of our Healthcare professionals and for our safety. May God grant Eternal Rest to those who have lost their lives.

Remember, when we are united, nothing can break us!

I love you all,

Fr. Romanus, MSP
